Examples of Excluded Parts

Components covered by manufacturer's warranty, accessory drive belts, clamps, hoses, spark plugs and wires, clogged fuel injectors where a mechanical/electrical failure has not occurred, tires, wheels and wheel covers, wiper blades, batteries (either stand alone or integral to a component), electric vehicle external charging stations, fuses, brake drums, rotors, pads and shoes, and light emitting assemblies (except for integral electrical failures), upholstery, insulation, carpet and paint, door stops, hinges, and weather stripping. Additional exclusions apply; please refer to the contract for complete terms and conditions.

Extended repair protection that goes the distance.

An Allstate® Certified Pre-Owned Wrap Vehicle Service Contract¹ can help save you thousands of dollars on auto repairs. It's easy, convenient and covers repairs and parts beyond the terms of your manufacturer's warranty.

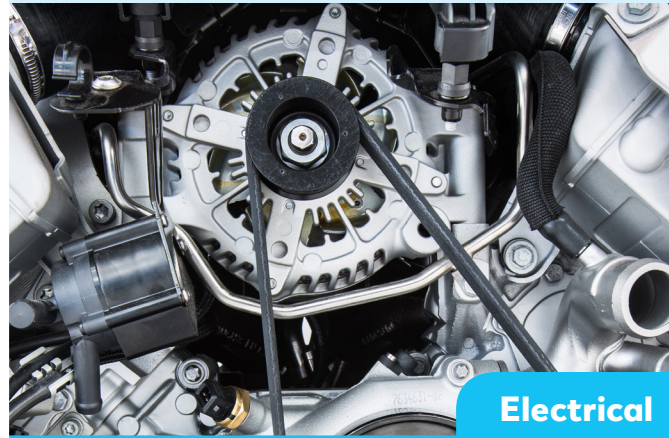

Benefits:

- Pays 100% of covered parts and labor after deductible
- Allows you to transfer your contract, adding to your car's resale value
- Provides protection against increasing replacement costs
- Provides extensive coverage that wraps around the manufacturer's warranty provided at the time of vehicle certification
